2012

100 years of Danish Sea Scouting

There will be 2 big events in Denmark during 2012. For the first time all of the 5 scout and guide associations will camp at the same time and place in an integrated Jamboree camp. It is also 100 years since Sea Scouting started in Denmark, and this will be celebrated during and after the jamboree.

At the jamboree Sea Scouts will have their own subcamp. There will be a huge party to celebrate 100 years of Sea Scouting on Thursday, 26 July in the main arena.

The main water activities will take place in Struer Harbour 14 kilometres from the jamboree in Holstebro. There will be canoes, kayaks, dinghies, and patrol and keelboat sailing. A little further away at Thorsminde there will be wind surfing, kite surfing, diving, and other aquatic activities. There will also be a lot of exciting activities around the main campsite.

The Sea Scout boats will form an Armada at the jamboree's end and sail through Limfjord, stopping at Nykøbing, Nibe, and Hals. Crew exchanges will be possible. At each stop a land crew will provide dinner and entertainment. Breakfast will also be provided the following morning. Lunch will be served while underway.

Many of the smaller boats will be trailered to the jamboree and from as close to home as possible they will sail to the Armada finish at Hals. Senior, leader, and other boats will also make their way from here. The senior, leader, and other boats will be sailing from their home harbours timing their arrival for the start of the jamboree.

There are many ways you can join us for this fantastic event.

- You can sail in your own boats to Struer, arriving at the start of the jamboree or Armada. It is possible to camp at the jamboree for as many days as you like, paying a daily rate;
- You can charter *Ran* for either 7 days before and/or 7 days after the jamboree;*
- We can find space for you on the larger boats sailing to or from Struer;
- You can loan you a patrol boat for the Armada;
- You can camp at the jamboree.
